Layth Renewed

All praise is due to Allah, the Lord of the Alameen. May His peace and blessings be upon our noble prophet Muhammad (salallahu alayhi wasalaam), his household, his companions and all those who follow his laid path till the day of judgement.

By the will of Allah, the 17th edition of Layth's List finally comes out. Alhamdulillah so far for everything.

It is stale news now telling you it hasn't been easy. But we thank Allah we are able to resume this glorious compilation again.

The major change in the resumed Layth's List is that we will now publishing only 10 lists per week, rather than the previous 50 lists which we suspected, and later confirmed, most readers find cumbersome.

Please contact us if you'll like us to follow your posts, or if you'll like to **nominate someone whose posts can be followed by us**. We'll be especially glad to have your nominations! We'll just recommend you inform the person you nominate as soon as possible.

To contact us is simple, all our social media addresses, email and phone numbers are just at the end of this page.

Layth List e-magazine is run by a group of dedicated volunteers. The continued weekly production of the magazine is sustained through donations and advertisements in the magazine. All proceeds generated by the magazine are put back as expense in sourcing for more contents for our numerous readers who access the magazine at no cost.

All praise is due to Allah by which all good things are accomplished.

Are you done yet? Have you gotten over the Khabib fever? Here are my thoughts on this issue - may Allah make them in-line with the shariah, regardless of who it may offend.

1) UFC is a haram sport. To watch, follow etc. It contradicts the guidelines and limits set within the shariah.

2) Khabib should not be congratulated on his participation in, promotion of, or victory in, this impermissible sport.

3) This wasn't Islam vs Kufr. This was one sportsman vs another. It was the Muslims who somehow, due to our ignorance, decided to turn this into some form of "Holy war" because McGregor, a lowlife in many ways, tried to get to his opponent by taunting him, bringing his family, country and religion into it. If McGregor could use his hair, face and anything else, he would do so. It's a mental game.

4) Due to his bringing Islam into it, there is nothing wrong with hoping he got a beating - without watching the fight. This is a general wish and is part of loving and hating for the sake of Allah - that we wish the upper hand for Islam in every way, including the individuals. This doesn't necessitate sharing pictures etc.

5) Sharing memes with things like "Islam means submission" is ridiculous. You may have a weakness but don't bring it to the public by sharing pictures with men uncovered engaging in a haram sport. If "Islam means submission" then you should submit and not do that which is displeasing to Allah.

6) Khabib and Vladimir Putin are close. By Khabib's own admission. Where are the politically minded keyboard warriors with their damning words about the Russian role in Syria and even in Khabib's own part of the world? Your silence is deafening.

7) Such double standards should not be justified with Islam and those who raise objections shouldn't be called "haram police"

because they remind you of your religion. If you want to follow your desires in secret then do so, but don't bring it to the public. Allah praised this ummah because we enjoin the good and forbid the evil. If Allah praises it, I frankly couldn't care less if you don't like it.

8) Don't bring instances from the Seerah to try to justify your watching this haram. A UFC fight is different to wars fought between major empires of the world, so please sit down with your faulty deductions.

More can be said, but ultimately we ask Allah to guide us to His pleasure and to make us from the people who submit to Him. Please don't try to turn this into a discussion barakAllahu feekum.

And Allah knows best.

People don't leave Islam because "you make everything haram (prohibited) for them", not at all, people leave Islam because of their weakness in Islamic creed and knowing who is Allaah and what are His rights upon them. They leave Islam because they have not given Allaah His due reverence nor were they truly sincere in surrendering to Allaah in the first place. They leave Islam because they prefer to follow their whims, desires, and personal opinions over Allaah's laws. If someone leaves Islam simply because of the Islamic ruling on hitting someone else's face, or the Islamic ruling on music or mortgaging a house, then indeed the end is near.

Abu Huraira reported Allah’s Messenger (ﷺ) as saying:

- 1- Don’t have deserted relations (with the others)
 - 2- and don’t nurse enmity
 - 3- and don’t enter into a transaction when the other (has already entered)
 - 4- and be fellow-brothers and servants of Allah.

The Prophet ﷺ

used to place his right hand on the sick person and say: “Adhhib al-ba’s Rabb an-naas, wa’shfi anta al-Shaafi, laa shifaa’a illa shifaa’uka shifaa’an laa yughaadir saqaman (Take away the pain, O Lord of mankind, and grant healing, for You are the Healer, and there is no healing but Your healing that leaves no trace of sickness).”

The great and noble Companion Hudayfah bin al-Yam ā n was asked:

"What is hypocrisy?"

He replied:

"It is to talk about Islaam and you do not act upon it."

Numerous Good Ones

[Click on this picture to visit site](#)

It is reported that ‘Umar b. Al-Khaṭṭāb – Allāh be pleased with him – said to a young man while exhorting him:

A man might have ten qualities, nine of them good and one bad, but the nine good ones can be spoiled by the one bad quality. Beware of the slips and faults of youth.

Episode #45: Entering Prayer If U Late

[Click on this picture to visit site](#)

#letthesunnahgoforth

Prophet Sallah Allaahu alaihi wasalam said in which means “the key to salah is purity, it starts with Takibir and it ends with tasleem” al-Tirmidhi .
Al-Nawawi said in al-Majmoo’ (4/111): If a person catches up with the imam when he is bowing, he should say the opening takbeer standing, then say the takbeer for bowing as he is leaning forward to bow. If he says some of the opening takbeer when he is not standing upright, then his prayer does not count as an obligatory prayer, with no difference of opinion among the scholars on this point; it also does not count as a naafil prayer, according to the correct view. End quote.
